

WHY BE A SPONSOR?

Invest in America's future by supporting our young scientists so that we may keep America competitive on the global stage. 100% of your donation goes towards Scholar Awards in support of our 2023-2024 Scholars. Further the foundation's mission by supporting the next generation of scientific innovators.

WHO WE ARE

ARCS Foundation (Achievement Rewards for College Scientists) is a nationally recognized nonprofit organization, founded and administered by women volunteers, who promote U.S. competitiveness by providing financial awards to academically outstanding U.S. citizens studying to complete degrees in science, engineering, and medical research at the nation's leading research universities. ARCS San Diego has awarded over \$11.8 million to students at San Diego State University, Scripps Research, University of California San Diego, and University of San Diego. Scholars are selected in recognition of their achievements and their exceptional promise to contribute significantly to their fields. This year we honor Margaret Leinen, PhD, Vice Chancellor for Marine Sciences, Director of Scripps Institution of Oceanography and Dean of the School of Marine Sciences.
